SUMMER LUNCH PROGRAM VOLUNTEER
WOMEN, INFANTS & CHILDREN (WIC) NUTRITION & HEATH PROGRAM

DESCRIPTION OF DUTIES:
Under direct supervision of the assigned Registered Dietitian / Degreed Nutritionist or WIC Director the Summer Lunch Program Volunteer is responsible for coordinating daily activities for youth who attend the summer lunch program at the Merced WIC site.

- Volunteer will contact community partners who can provide activities at the site.
- Volunteer will set up the patio each day in preparation of delivery of meals.
- Volunteer will interact with youth during the meal time including providing appropriate nutrition education and physical activities.
- Volunteer will clean up the patio after the end of meal service.
- Volunteer will maintain meal statistics.

EXAMPLE OF LEARNING OPPORTUNITIES:
- Learn the USDA Summer Seamless Lunch Meal Pattern;
- Learn the services provided by the WIC Program including breast feeding support;
- Tour the Merced Elementary Schools Food Production facility;
- Observe WIC Nutrition Education classes;
- Learn to do non-invasive hemoglobin test;
- Learn to do height and weight measurement of both infants and children

QUALIFICATIONS:
Education:
Completion of a college level nutrition class or course work related to human services.

Experience:
Previous experience working with youth preferred.

OTHER REQUIREMENTS:
Pass background clearance to work with youth.
